

Junior Software Tester

£17,500.00 – £20,000.00 pa (depending on experience)

About us:

Locale is a multi-award winning, innovative, privately owned company that produces estate management portals for some of the UK's most prestigious property brands and iconic landmarks, such as The Shard and Hyde Park Estate. We're reimagining how properties can be run using new technologies, doing away with outdated manual processes.

About the Role:

Are you a dynamic individual, comfortable with technology and an eye for detail? Locale is growing fast and looking for people to join the team. The Junior Software Tester will play a key role in the Product and Development team, assisting the Development Project Manager with quality assurance, application support, release management, and project management. You will be working with a young, collaborative, energetic team based in the centre of Oxford.

Main responsibilities include:

- Working with the Development Project Manager and Development team to help deliver quality software
- Assisting with quality assurance testing for new features being developed prior to release
- Reviewing all application support tickets for the Development team, ensuring they have been reported accurately
- Assisting with release management, producing documentation and training materials
- Collaborating & building strong relationships internally & externally

What we're looking for:

- A great communicator with a strong eye for detail
- The ability to manage priorities and deadlines
- An understanding of how web applications work – but no technical or programming experience necessary
- Eager to learn and progress – training will be provided for the role
- A desire and ambition to make a real impact with the work they do

Benefits:

As well as engaging work and exciting long-term opportunities the company has a relaxed working environment, with a casual dress code, monthly staff socials (such as a trip to the circus, punting in Oxford, a round at the pub or movies nights with take away) and free beer Fridays. There are plenty of staples available like free breakfast cereal, soup for lunch, a well-stocked cookie jar and sweetie bowl (or fruit bowl if you'd prefer) and a bean to cup coffee machine (coffee is very important!). The company also offers full time employees a private health scheme. Every year we also have a lavish Christmas dinner!
